

SPENDING FIVE (5) MINUTES CHECKING YOUR LUGGAGE FOR HAZARDOUS MATERIALS GETS US ALL THERE SAFER!

The U.S. Department of Transportation (DOT) regulations prohibit passengers from carrying hazardous materials (“HAZMAT” or “Dangerous Goods”) aboard commercially operated aircraft.

For specific guidance, see **www.faa.gov/go/packsafe** or scan the QR code below with your smart phone.

You may also contact the U.S. DOT Hazmat Information Center for answers to any hazmat questions at:
